Delivered faster with your consent

TRANS-O-FLEX INSIGHT APP

Consignees can conclude delivery arrangements online and upload images of their designated storage location.

Place of delivery clearly defined, no risk of mix-ups.

YOUR ADVANTAGES

- You always have total control over your consignments.
- You decide whether or for which of your consignments delivery agreements are possible: temperature-controlled (2–8 °C or 15–25 °C) as well as non-temperature-controlled consignments.
- You increase customer satisfaction. Even if your customers are not at home, your consignments can be delivered safely.
- It's easy to give us your consent: just fill in the form found at www.trans-o-flex.com/en/trans-o-flex-insight-delivery-agreement and send it to trans-o-flex by post or e-mail.
- You can revoke this consent at any time.
- Please note: Only consignees with their place of residence and/or business within Germany can issue drop-off consent for consignments from you.
