

SERVICES PART 4

Collection

For your individual requirements

Whether it's collection from a third party, a swift returns service or collection on a desired day – trans-o-flex collection times are not driven by set and inflexible route dates, but by your specific needs. In this way we ensure that your goods reach the desired consignee within 48 hours from a third party and additionally offer the possibility of having goods collected by appointment on your desired day.

Your partner for spontaneous shipping needs

trans-o-flex.now allows consignments to be collected on the same day to be registered into the afternoon, before being forwarded to consignees throughout Germany. After a one-time registration, you can book our services online at my.tof.de at any time. The service is designed for shipping between companies and also enables the joint shipment of parcels and pallets in one consignment.
