Services

trans-o-flex direct

Direct delivery is the best solution when speed is of the essence. The on-time delivery is carried out without detours, directly from the collection address to your recipient.

OVERVIEW OF SERVICES:

- Exclusive and sporadic direct deliveries (ad hoc orders).
- Door-to-door delivery without handling.
- Use of the optimum means of transport.
- Provision of the required equipment.
- Delivery possible in exactly defined time slots.
- Proof of delivery (POD) possible on request.
- Carriage of special products possible.

BENEFITS:

- Taking your individual requirements into account.
- Fast and flexible shipping process.
- Time-precise collection and delivery possible.
- Reduction of the risk of damage, mix-up and loss, as there is no handling.
- Suitable for sensitive shipments with high importance.

trans-o-flex charter

For your regular direct shipments with a predictable and higher volume of goods. These are delivered on time by trans-o-flex charter – nationally and throughout Europe.

OVERVIEW OF SERVICES:

- Direct shipments without handling.
- Use of optimum means of transport.
- Safe and punctual collection or delivery possible (fixed date).
- Provision of the required equipment.
- Proof of delivery (POD) and temperature records available on request.
- Carriage of special products possible.

BENEFITS:

- Tailor-made or customised shipping concept.
- Perfect planning.
- Fixed conditions.
- Short transit times and communication channels.
- Ideal for procurement, factory and distribution traffic.
