THIS IS EXPRESS WITH TOF.NOW  
**Select shipping order.  
Confirm order. Done!**

### THE PIONEERING ONLINE BOOKING SYSTEM

With the/our efficient **online booking system tof.now** it is possible to configurate your shipping orders quickly and easily on all digital devices and organise the shipping logistics within a few minutes.

**Express  
around the  
clock!**

# Your benefits

tof.now is probably the easiest shipping system on the express and logistics market. Benefit from our services:

## EXPRESS

**Fast** shipping with a delivery time in less than 24 hours and with different time options.

## NAVIGATION

**Intuitive** handling of the service platform guarantees the fastest processing of your shipping requirements.

## FUNCTIONAL

**Intelligent** user profile, which has a shopping basket function, that also saves your own configurations and addresses in only a few clicks.

## SERVICE

**Simplest** processing of a shipping order with a guest account. Extended products and functions, e.g. invoicing for registered users.

## Here's how

- 1 Go to **www.tof-now.de**. (The system is currently only available in German.)
- 2 Click on „**Enter new shipping order**“
- 3 **Configure** your shipping order on the navigation screen or select a pre-configured bundle.
- 4 Pay and **submit!**
